45th Annual

SUNFAIR CROSS COUNTRY INVITATIONAL

Saturday, September 29th, 2018

The 45th annual Sunfair Invitational Cross Country Meet will be held Saturday, September 29th, 2018 at Franklin Park in Yakima, Washington. Over 1,500 runners are expected to descend upon Franklin Park for an exciting day of top level competition. In past years teams from British Columbia, California, Hawaii, Idaho, Montana, Oregon, Utah and Washington have participated. The Sunfair Invitational is comprised of 16 races over the 3 mile course at Franklin Park. There is an appropriate race for every member of a team to participate in, including coaches and spectators. The highlights of the day usually occur during the 7 varsity flights, where a single varsity runner from each team (boy and girl) will compete against their counterparts from the other participating teams. The meet begins at 8:45 am with the 3rd-6th grade race and will end at 4:30 pm with the awards ceremony at the base of the terraces. The varsity flights start at 12 noon.

The Sunfair Cross Country Invitational is the largest single-day high school participation event in the Northwest. Brooks has been the major sponsor of the meet for the last seven years and will be there again this year. Brooks awards a brand new pair of running spikes to first place finishers in each of the seven varsity flights. Many local businesses and individuals partner with Brooks Sports and the Eisenhower Cross Country Parents Club to help insure a fun, safe and successful event.

Meet Records: The course record for the boys is held by Matthew Davis an NCAA All American from Oregon. In 2011, Amy-Elise Neale set a new girls' course record of 17:03.9 on a day that saw 23 girls run the course in under 19 minutes. The previous record was set in 2004 by Brie Felnagle in a race where the top 2 finishers broke U.S. Olympian Sara Schwald's record: Brie Felnagle from Bellarmine Prep in 1st place and Zoe Nelson from Flathead High School in Montana in 2nd place.

The meet director for the Sunfair Cross Country Invitational is Phil English, Cross Country coach for Eisenhower High School.

GENERAL MEET INFORMATION

Date: Saturday, September 29th, 2018

Location: Franklin Park, 19th Avenue & Tieton Drive, Yakima, Washington

Web Site Coverage: Results will be posted on Athletic.net.com, and we will post results as the races are completed.

Key Sponsor: Brooks Sports, Inc.

Course Length: 3 miles for all races with the exception of the 3rd-6th grade (1 mile), the 7th-8th grade (1.5 miles) and the Frosh (2.0 miles) competitions. These races will be run over the last sections of the 3 mile course. For example, the Frosh races will be run over the last 2 miles of the regular 3 mile course. The 3rd-6th Grade Race starts under the tree at the 2 mile mark. The 7th-8th Grade Race starts in the Southwest corner of the park. The Frosh race uses the regular starting line and the distance is adjusted on the dogleg at the top of the terraces.

Course Description: Primarily grass with short sections of pavement. Spikes or flats may be worn. The course is comprised of 3 1/2 loops with the terrain varying from a steep hill at 1 mile to rolling, gentle areas. The start area will be near the center of Franklin Park. The finish area will be near the new Rotary Pavilion. The course will be marked and available for viewing on Friday afternoon and officials will be available for course clarification from 2:00-6:00 pm. Packets can be picked up then also.
